SANYO

**Reach-in
Freezer Showcase**

SRL-T2075THWR

Capacity: 265 litre
Temperature
-20 °c ~ -28 °c

**Eco
Earth
friendly
Design
Non-CFC
foaming**

***Six shelf
attachment.
Big Capacity**

Jumbo size, more loading, super freeze
Cabinet temperature: -20 °c to -28 °c*

Environment friendly design with Cyclopentane blowing agent in foam insulation and refrigerant R404A completely NON-CFC, with Zero(0) Ozone Depletion Potential (ODP)

Superior performance for deep freeze at -20 °c to -28 °c and inside temperature stability.

As the huge of storage cabinet and super freezer that make preserving for frozen food and ice cream as much more.

In addition of loading up to 265L that can place ice cream's cup size 475ml at 180 cups.**

» **Triple Glass Door**
Three-ply glasses with built-in heater to reduce the dew condensation and to control the cabinet's inside temperature.

» **Universal Grip Handle**
The handle of bar type is easy to open.

SANYO gives you more than valuable and worth to every usages of stability cooling, fully efficiency, energy saving, durable and highly quality
Our all models are Strong, Safety and Modern design to respond to every usage and suitable for tropical zone as Thailand.

* Under conditions of ambient temperature 30 °c, humidity 60%, No load and No Direction sunlight ** 30 cups / 1 shelf with double stack (15 cups x 2 levels)

Earth Friendly ■ Trustworthy ■ Reliable ■ Innovative Thinking

Reach-in Freezer Showcase *Eco/Earth Friendly Design*

SANYO realizes to environment, we strive on our product design to be friendly with the earth and also realizes to minimal global warming. Our SANYO freezer to respond every usages with high premier material, high quality and modern design with clear glass, easy viewer through the products.

SRL-T2075THWR (9.4 Cu.Ft. / 265 Litre)

Reach-in Freezer Showcase

- » Modern design with POP lighting, easy to view the products
- » Upper POP lighting provides full illumination of case interior and help to promote brands by putting logo sticker
- » 6-Shelf adjustment with tag mold that can insert product info such as prices, for customer choosing
